

Welcome

to Michigan public school employment!

Your **Pension Plus** retirement plan is one of the most valuable benefits your employer provides to you – it pairs a **guaranteed** retirement income with a **flexible** and **transferable** retirement savings account.

A secure retirement depends on a balance of social security benefits, personal savings, and a pension.

You're off to a strong start.

Pension Component

You're guaranteed a lifetime pension once you meet age and service requirements.

Savings Component

You're enrolled in a tax-deferred savings account that will help you enhance your retirement savings.

Your employer will match 50 percent (up to 1 percent) of your contribution.
