

ING U.S. Fund Name Change

In April 2013, ING U.S., the Plan record keeper, revealed its future name: Voya Financial ™. To help ensure a smooth and successful transition, the name change will take place over time and in various stages – and as a result, you may see both ING U.S. and Voya ™ at times throughout 2014. The rebranding efforts should be complete by year's end and you will come to know ING U.S. as Voya.

You will start to see ING U.S.'s transition to Voya beginning on May 1, 2014 when **your Michigan 401(k) and 457 Plans' ING Small Cap Growth Equity Fund will become the Voya Small Cap Growth Equity Fund**. In July, the fund fact sheet will transition to the new Voya name.

It's important to note that only the name of the fund is changing; the fund management, fees, objective and portfolio composition of the fund will remain exactly the same.

If you have any questions about these changes, please call your Plan Information Line.
